COMMUNITY IMPACT OF KANSAS YMCAS

45.9% of Y members and program participants are youth and seniors

1 in 5 Kansans Served

535,647 Kansans discovered healthy living through Y services and programs that address the obesity crisis in Kansas. 30.0% of Kansans are obese (19th highest in the nation).

1 in 4 Kansas Children Served

180,000 Kansas children achieved school readiness, academic success and healthy habits through Y services and programs. The Y is the largest provider of child and after school care in Kansas. Studies show that young children who develop healthy habits are more likely to be healthy adults.

\$17.1 million in financial assistance

Kansans received more than **\$14.5 million** in free and assisted programs from YMCAs.

Kansas YMCAs relieved the burden of government by providing **\$2.5 million** in front-line services through public grants, contracts and vouchers.

15,786 volunteers

The Y is a charity of choice for the Kansans who donated \$13.3 million to the 10 YMCA associations, and an additional \$5.3 million worth of time to help all ages learn, grow and thrive.

Healthy Living For All

The Y is saving lives and saving public dollars by supporting those battling chronic disease. LIVESTRONG at the YMCA supports cancer survivors' health. Our Diabetes Prevention Program reduces risk for Type 2 diabetes by 59%. Enhance Fitness improves mobility of seniors with arthritis.
